Gilbarco Dispenser Certification Course General Information

ONLINE PRE-COURSE TRAINING: There is an online pre-course requirement that is required for this class. Upon signing up for the class and receipt of your payment, you will be enrolled in the online course. This course **must** be completed **prior** to your class attendance. For further information, please contact us at 800 366-9557 ext 108.

DAILY CLASS SCHEDULE: Class begins at 8:00 a.m. and ends at 5:00 p.m. Lunch is provided at the training site each day and is included in the registration price. **Note:** technicians will be required to turn off cell phones during class or leave them on vibrate only. They are welcome to use them during breaks and at lunchtime.

WHAT TO BRING WITH YOU: A laptop computer with Windows 98/2000/XP

ATTIRE: Business casual. Safety requirements do not allow the wearing of shorts or open toed shoes or sandals. Las Vegas can be very hot in the spring, summer and fall months and just a light jacket for the winter months so bring appropriate clothing for any “after-hours” activities you may be planning.

TRANSPORTATION: Car rental is recommended. Most hotel parking is free in Las Vegas. Although taxi service is plentiful, the costs for this service can quickly surpass the cost of very affordable car rentals. Some of the hotels provide shuttle service to and from McCarran International Airport, but there is no shuttle service to or from the training facility.

TUITION: \$2,800 per student (non-ASC) and \$2,100 per student for ASC's

Registration is on a “first come, first serve basis” and fill up quickly. Payment must accompany registration. We accept company check or credit card. Please make check payable to Petro West, Inc.
